

# Grace Learning Center

Phakalane, Botswana

Inspiring Excellence. Building Character. Glorifying God.

Good day everyone.

As you know, when Ms. Pamela returned to the U.S. I stepped in temporarily until a new school director could be found. We had hoped that one particular lady would be that person, but the Lord moved her another direction. Since that time we have continued to pray earnestly about how to keep the school open. The two greatest challenges were to find a suitable, well qualified school head who shared the vision for Christian education and the ability for the school to be financially viable. We are thankful that the Lord has led us to find the answer to both needs in Ms. Rachel Muraya.

Ms. Rachel came to Botswana from KENYA to be a nurse over 30 years ago. But, through time, the Lord led her down a different path and gave her a vision to begin Christian schools in the country. She now has extensive experience in Christian education having worked in, founding and directing several schools and childcare centers in our area. She is fully committed to academic excellence, providing qualified and well trained teachers, and exhibits an overwhelming passion for God. You only need to spend a few minutes with Ms. Rachel to know that she is passionate about our children reaching their full potential academically and developing a wonderful knowledge of God and His Word at the same time. This has been the heartbeat of Grace Learning Center from its very beginning. Ms. Pamela gave all of us a wonderful gift in the establishing of the Grace Learning Center and we are very thankful that the Lord has provided the opportunity for the school to become even greater and more far reaching through the leadership that Ms. Rachel will provide.

Ms. Rachel has faithfully been attending Grace Baptist Church for a while now. As an Africa director with Child Evangelism Fellowship, she has offered to conduct extra training to our Sunday School teachers. **WHAT AN OPPORTUNITY!**

This change in ownership/leadership of GLC frees me up to invest more into our ladies through discipleship and mentoring. This is my heart's calling. I wish to say thank you to those who prayerfully and financially helped support GLC this past year. Know the ministry is continuing on, just under new and more experienced leadership. If you wish to divert your support to another special project, there are many opportunities. Please contact us directly.

Thank you again for your continued support of our ministries in Botswana.
