Dear Friends,

The last couple of months have been transitional months between helping in my parent's church and watching over a church for a missionary that needs to take a furlough. **At the very end of September, we flew to the States to be a part of Lily's sister's wedding.** We were able to go a couple weeks early to help with the preparations and spend time with the family. It was a very enjoyable time of much needed rest combined with a few hectic days of wedding prep.

We had a special blessing when we got back to the States in that **my grandpa payed to fix our Toyota that was wrecked at the end of deputation.** It was such a blessing to have our car back and to know that it will be used to help missionaries that are back in the States when we are on the field, as well as for our furloughs in the future.

Once we got back to Brazil, we headed straight up to Franca to start caring for the church there for a missionary going on furlough. **We have been getting plugged into all of the ministries here and are learning how each of them operate.** We will definitely stay busy over the next few months with a **soccer ministry, a men's meeting, teen ministry, soul winning and street preaching, as well as the normal services.** We will also be planning and running a family camp for the first time. Pray that God would give us wisdom to lead the church and be effective in each ministry.

We have already seen souls saved in the couple weeks we have been up here and will doing Bible studies with several new converts. I also plan to reach out to the young men who have gotten saved through the soccer ministry to try and get them plugged into the church. **Pray that God would work in each of their lives and that we would be able to see more people saved, baptized, and discipled over the next several months.** Thank you so much for your continued prayers and support.

P.S. As a reminder, our address has changed. I have listed the current addresses below. Thank you.

God bless.
