Dear Brothers and Sisters in Christ,

Proverbs 16:9 says “A man’s heart deviseth his way: but the Lord directeth his steps.”

As we look ahead to the future, we are “devising” (planning) our way. Plans are being made about what we need to be doing and how to do it. We are planning when and how to move back to Brazil, how to move our belongings 14 hours south, how to find a place to live, and how to set up the church. We have many questions we are trying to find the answers to, such as: which tracts and Bible studies to have on hand? What would be the best way to evangelize/canvas the city in preparation for our first service? What equipment should we have for the church? Should we have a church website with all the changes that have been happening in Brazil?

We are also working on what we can right now. We have sent off the documents to renew three of the kids’ US passports and are hoping those will be ready within the next month. There are also several Brazilian documents we are in the process of getting and two Brazilian passports to renew. We are not entirely sure how long that will all take, but have been told it could be a couple of months. Also, I am beginning an online language program. Because the majority of the people in Pomerode are bilingual, speaking both German and Portuguese, I want to learn German to be able to better communicate the gospel to them.

In all of our preparation, in all of our planning, we are asking that God direct our steps. Regardless of what we have planned, we know that what we truly need is God’s plan and God directing our steps. Please pray with us that as we go down we will know God’s plan, we will obey God’s plan, and that He will already go before us and prepare the hearts of the people to receive the gospel.

We ask for your continued prayers for us 1.) on when we should return to Brazil, 2.) for Kate and the boys to continue learning Portuguese, 3.) for Nate to learn German, and 4.) safety as we travel.

Thank you all so much for your faithful prayers and financial support. May God bless you all.

In Christ,

The Nate & Kate Nichols Family
