Prayer Requests:

- For the salvation of souls here in Pomerode
- Wisdom in how to reach the German/Lutheran population
- That God would show us how we can be more effective in reaching our people

Dear Brothers and Sisters in Christ,

We greatly rejoice in the different ways that God is working in the people here in Pomerode! We have had many, many opportunities to present the gospel and give out tracts. Although we have not seen a whole lot of fruit yet, we trust the Lord to continue working in the hearts of those who have received the gospel, and we pray that one day those seeds will bear fruit and souls will be saved.

We have several people who faithfully attend church. Many of them already have a testimony of salvation and seem to be growing in the Lord. Please pray with us for those who are still unsaved, and in particular, those who seem to be confused about what salvation really is. Many people here seem to base their salvation on the gifts of the Holy Spirit. Having a gift seems to be their “proof” that they are saved, and as long as they have this gift, they can live their lives in whatever way they would like to. We need God to open their eyes and show them the truth about salvation.

One sweet lady in our church needs your prayers. Her name is Isabel. She beat cancer three years ago, but now it has returned. There are tumors in her lungs, brain, liver, and bones. Andre is her husband, and they have a 7 year old daughter, Sunamita. Isabel has been such an amazing example of “rejoice in the Lord always”, because she is always smiling and filled with the joy of the Lord, even while going through this. Please pray that God would heal her.

In one of our prayer letters, we wrote about the funeral that was held at the church for a man in town. We did not really know him, but we had gotten to know the grown son a little bit. We have been praying for the son, Luis, and his wife. Recently, they accepted the offer for a Bible study and are now doing it on a weekly basis. Please pray that God would be working on their hearts and they would see their need for salvation.

The children’s Bible club on Saturday has been doing well, and there have been a good number coming on a regular basis. Please pray for their salvation of these children and their parents.

We are continuing to give several one-on-one Bible studies with some of the people coming. Please pray for the salvation of those who are not saved and for the spiritual growth of those who are. Also, please pray that more people would be receptive to a Bible study, and most importantly that we would see souls saved soon.

Thank you all so much for your faithful prayers and financial support. May God bless you all.

In Christ,

The Nate & Kate Nichols Family
