December 2025

Dear Brothers and Sisters in Christ,

Praise the Lord we have had a very busy end of the year. Here is a brief overview of what God allowed to happen.

In October, we were able to have an event for Children's Day at one of the schools in town. Zack and Stephanie Gerwitz did a great job planning the event. Because of the timing and location, we all thought that at most forty to fifty children might come. But God blessed way above what we had planned for! We were not able to get an accurate count, but our estimation is that we had over one hundred children in attendance, not counting the parents who came as well! All glory to God! We had a great event that included being able to present the gospel to all in attendance and offering everyone who came a devotional to take home. We have since been able to send out a letter and a gospel tract, thanking those who came. Please pray that God will work in hearts.

In the beginning of December, we had another great opportunity to give out the gospel. A man in our church receives boxes of Sowing Precious Seed devotionals in both Portuguese and German. We had a night where people from the church came to put both a tract and the

information of the church inside the 1,600 devotionals. Then the following morning, we spread out around the downtown area and were able to give out all the Portuguese devotionals and most of the German ones. Several people who received them, came back to thank us and ask for some to take to family and friends. Also, a couple of people have already come to visit the church because they received a devotional with our information in it. Please pray with us that people will be saved and grow in the Lord through this.

Right before Christmas, we were able to have a special day. After Sunday School, we had a Christmas lunch followed by another service. We had a small "cantata" with the reading of the Christmas story from Luke 2 and some songs sung by both the children and the choir. The whole day was a blessing, and we had our highest attendance to date with 54 people.

We ask prayer for a man in our church named Milton. A little over a year ago, he had a liver transplant, and he has struggled with his health since then. Recently, he found out he has cancer in his bones. Please pray for him and strength for his family.

Also, please continue to pray for the people we are doing Bible studies with. Several are still unsaved and others are growing in the Lord.

Thank you all so much for your faithful prayers and financial support! May God bless you all!

The Nate & Kate Nichols Family*
