"And let us not be weary in well doing: for in due season we shall reap, if we faint not." Galatians 6.9

BC, Southeastern Coast of Brazil

## BC is getting the Message

The sign says "I love BC," in Portuguese, and so does Jesus! Our prayer is to win souls for Jesus in BC (Balneario Camboriu, Southeastern Coast of Brazil).

### Back to the Bible

The ladies are excited about resuming their Bible study workshops for the year. We are thrilled to see their enthusiasm for learning and growing in their faith.

"I just got this flyer and I want to visit your church with my family." This was a text I received from Mara, a first-time visitor from our neighborhood as she scanned our QR Code!

BC is a resort area where people are more focused on their present life than their eternal destiny.

We remain steadfast in sharing the hope of the gospel with our community, and Galatians 6.9 reminds us not to grow weary in well doing.

**We are starting to see some results this year, with more people contacting us through the information in the flyers we pass out.**

Rosa and I have been tirelessly training our co-workers to better minister here, and they are doing a great job, but our missionary team can use more laborers. **Please pray the LORD will send a full-time missionary called to Brazil to work with us.**

## Haitian Ministry

Exciting news! We're planning to launch a ministry for the Haitian community in BC. With a significant Haitian population in town, we want to provide support and encouragement to our brothers and sisters in need. Please pray for our Haitian worker and his family as they consider moving to BC to minister more effectively to their own countrymen.

## Church Property Fund

We ask that you pray that the Lord will provide the funds for us to buy a small piece of land or property so we can be more accessible to the public. Our current church meets on the second floor of a commercial building, and we believe that we could reach more people if we were on a street level. We are so grateful for your faithful prayers and support, and we also want to extend a heartfelt thanks to those who sacrificially have given to this project. Your generosity has been a tremendous blessing to us and will help us to better serve the community.

We kindly ask that you prayerfully consider contributing to this project. If you wish to make a tax-deductible donation, please send it to BEMA\* and mark it as "Church Building Fund."

### CHRISTMAS GRATITUDE

We want to express our heartfelt gratitude for the lovely Christmas cards and gifts you sent. Your thoughtfulness and generosity made our Christmas season extra special.
