

"... I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain ..." John 15.16

*BC, Southeast Coast of Brazil*

The sign says "I love BC," in Portuguese, and so does Jesus! Our prayer is to win souls for Jesus in BC (Balneario Camboriu, Southeast Coast of Brazil).

### Team Brazil

We continue to minister online with our faithful team in Brazil, while Stateside.

As Rosa and I prepare to head back to Brazil, we are filled with excitement and gratitude. **Thank you for praying with us that the next few months might be just as fruitful and honoring to our Lord and Savior Jesus Christ!**

## Halfway There!

### Furlough Trail & Grand Blessings!

We cannot believe we are already **halfway through our furlough!** We are eager to reunite with our team in Brazil this summer.

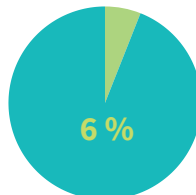

It has been such a blessing connecting with churches all across the States these past six months. From big cities to quiet towns, each church has welcomed us with open arms, and we have been so encouraged by their love and support. We also got to spend some time with our children, and are looking forward to the arrival of **our first granddaughter, Lydia, in July!**

## Church Building Fund

We kindly ask for your prayers, as we seek the Lord's provision to purchase a small piece of land or property in BC. Currently, our church is located on the fourth floor of a commercial building. **We believe that being at street level would allow us to reach more people.**

We sincerely appreciate your faithful prayers and support, and we are incredibly grateful to those who have generously contributed to this project so far. Your selfless giving has been a great blessing, enabling us to better serve the community.

Funds Raised For Church Property as of March 2024

If you wish to make a **tax-deductible donation**, please send it to BEMA\* and mark it as "Church Building Fund," or use the QR Code below.

### Soon To Be Triple Citizens

Citizens of Brazil, Heaven, and soon the Unites States.

This update is a bit technical - please bear with me.

Since the LORD called us to America back in 1990, Rosa and I have faced numerous challenges regarding US Visas. By God's grace, we never overstayed any of the Visas that have been granted to us.

As many of you already know, five years ago, we pursued **Green Cards**, sponsored by our eldest son, as both our sons are American-born dual citizens. **This eliminated the need for Visas to visit supporting churches and family in the US** (though Green Cards impose stay limitations on the field).

Green Cards are the initial step of the process to Dual Citizenship.

Last year, Rosa and I applied for US Citizenship during our scheduled furlough. We are currently awaiting the finalization of this process and anticipate a response soon. **Your prayers for a smooth transition back to Brazil this Summer, without any time constraints, are greatly appreciated.**

*Rosa and I are deeply grateful for your faithful prayers and support. In Christ, and for His glory,*
