Dear Friends,
August 16, 2023

Jesus said in Mark 10:45, "For even the Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many." We are thankful for the opportunity to serve the people of Cameroon and to point people to Christ and the salvation he offers through his death and resurrection.

We are thankful for a great visit by our director, Terry Rushing, and a new member of Wings As Eagles, Chris Holaday. They were able to help inspect

the three airplanes to keep them in airworthy condition. It was a blessing to fly with them and also to share fellowship and ministry opportunities together.

Recently, a large group of special forces dropped by the hangar for a tour while they were waiting for their helicopter pick up. I had the opportunity to give them all Scriptures and talk to a few of them. Pray also for an official hangar inspection by the government on this coming Tuesday, August 22nd.

Several of us from Bafoussam traveled about 45 minutes to meet some brethren from the Northwest region for a radio ministry update and meeting. Please pray for the Lord to provide a plot of land in the hills of Bafoussam for a radio tower. It was a real blessing to fellowship with the men from the Northwest who have been through so many hardships in the crisis there. In fact just a few days after the radio meeting, Pastor Julius was kidnapped at his home in the Northwest and held for ransom or threat of death. After a harrowing few nights with his captors and many opportunities to trust the Lord and witness to them, he was released to find his way back home. Please pray for the situation in the two anglophone regions of Cameroon. The situation remains very difficult.

There have been some young preacher boys traveling throughout Cameroon and assisting churches with Holiday Bible School. We had the privilege to financially support the HBS program in two villages, one in the West region and one in the Northwest region. Please pray for fruit as many heard the gospel and made decisions for Christ. The churches have been greatly refreshed and revived through these outreaches as well! Pray now for the HBS in our church in Bafoussam this week! We have many unsaved French-speaking neighbors who are attending!

Pastor Chrysantus and Pastor Godfred led a team in a key outreach in the village of Bamunkumbit. This is one of thirteen villages in the area where we used to minister. Praise the Lord for many who heard the gospel, received Scriptures, and were invited to be part of a new church. Pray for fruit to remain and a church to be established.

Other Prayer Requests and Praises:

-The Chris Sanderlin family arrived in France today to begin their language studies! Pray for them!

-The visit of Terry Rushing and Chris Holaday went very well, and all airplanes are airworthy!

-The new Bible Institute here in Bafoussam will be inaugurated on September 1. Please for the staff and students!

-We did not find a teacher to help homeschool this year, but the Lord provided in a wonderful way for Abby to have a full video program for the kids!

Thank you so much for supporting us in prayer and finances and for sending us to serve the Lord in Cameroon!

Yours truly in the Lord: Sam, Abby, Elena, Elias, Chloe, and Caitlyn Sanderlin
