Dear Friends,
November 8, 2023

"Bless the LORD, O my soul: and all that is within me, bless his holy name"
(Psalm 103:1). We want to first of all thank you for praying for the **inspection of our hangar and airplanes** a few months ago. The Ministry of Defense sent up a team to meet me, and the morning inspection and interview passed to their satisfaction! This last week another branch of the government called to inform Pastor Tom that they also wanted to come for their own inspection. This

inspection also seems to have gone well, and we thank the Lord for open doors once again.

Thank you for praying for the **inauguration of the new Bible institute** here in Bafoussam. Pastor Fih Ernest and I are leading this school with other missionaries and national pastors teaching as well. There are presently four young men from three regions of Cameroon. They started out with a class on evangelism, then church planting, and now New Testament Greek. They have two block classes in November and December. Pray for me and the guys here as we travel to Yaounde at the end of November to join the Timothy Bible Institute where I will teach a combined class. Pray for the Lord to continue to call and equip church leaders here in Cameroon!

Abby and I were able to go on **outreach** with the institute guys to the next town, Foubot. One of our institute men has been living there for years, so we were able to witness and share tracts to his family, friends, neighbors, and many others. This week, we traveled to see a crater lake just outside the city limits here. We encountered a singing woman making sacrifice at the lakeside, heard loud fisherman arguing amongst themselves, saw a large green snake swimming across the water, and met a friendly boatman who took the guys for a ride and listened to the word of God. Pray for Pastor Ernest who plans to follow up with this man who professes to know the Lord.

Abby and I recently visited the family of our car mechanic. Theophile and his wife recently had their fourth daughter, and we celebrated with gifts and a wonderful Cameroon meal. So many neighbors and family members came to meet us, and we enjoyed sharing the Word of God with them in French and Pidgin. Pray for the Lord to save this family and to do a work in the many neighborhoods of Bafoussam that are filled with families like this.

I have enjoyed many preaching opportunities at Victory Baptist Church filling in for Pastor Orlando from time to time. Pray for him as he is very busy leading many types of ministries and outreaches including radio recordings, youth ministry, local church Bible institute, choir, Bible translation, and taking his own training at our new Bible institute. The Lord's hand is upon this young man, and I pray he will continue to be used mightily by God.

Other Prayer Requests and Praises:

-Pray for Sam's teaching in Yaounde at the end of November for two combined Bible institutes.

-Radio tower site purchased in Bafoussam: pray for completion of a tower and broadcasting by end of year.

-The new Bible institute in Bafoussam was inaugurated on September 1.

-New Primary School in Babessi started by BBC in Ndop. Pray for the 28 students and their parents.

-Furlough plans for 2024 starting in May. Please contact us for more details or to schedule an update.

Thank you so much for supporting us in prayer and finances and for sending us to serve the Lord in Cameroon!

Yours truly in the Lord: Sam, Abby, Elena, Elias, Chloe, and Caitlyn Sanderlin
