Sending the Gospel Light for Salvation

Acts 13:47, "For so hath the Lord commanded us, saying, I have set thee to be a light of the Gentiles, that thou shouldest be for salvation unto the ends of the earth."

New Van Purchase

To God be the Glory, we were able to purchase a new Transit for the church rather quickly upon our return. Once again it is "exceedingly, abundantly more than we could ask or think!" It is a 2020 Ford Transit with less than 23,000 miles. The dealer sold it to us for almost \$5000 less than he was asking even though he had another man offering him full price. He was gracious in giving us the time needed to transfer the funds from our holding account in the states, and we picked it up on December 10th. Thank you for those that specifically gave toward the purchase of the van, and for the many others that prayed for God to Supply!

Christmas Celebrations

Our children and teens once again worked hard on memorizing lines and songs and put on a wonderful demonstration of the Christmas story from Matthew and Luke. We had several first time visitors and many return visitors in attendance including some new teachers. Mr. Augie, which some of you may remember from our video, attended again this year. I'm not sure that he didn't come just because he wanted to ride in the new van, but either way, he again heard the Truth of the Gospel! Although he has much softened toward our family, he is still very hard toward God and the Bible. We also had our annual SS awards party for the faithful children that attend Sunday School, and our teen Christmas party, which is a highlight each year, and our Christmas Eve candlelight service. Please pray for our teens as we begin our Soldiers Bible Club in January. Pray that these teens will be able to influence their peers to attend and trust Christ as their Savior also.
