"To preach the gospel in the regions beyond you" II Corinthians 10:16

Dear Pastor and Praying Friends,

What a joy and blessing it is to be writing this letter back in the United States! It has been over 5 years since our last furlough. We thank God for this brief 4-month furlough, as we are able to report to many faithful supporting churches. Many of these supporting churches have partnered with us when we first started on deputation, 17 years ago and we are so thankful for you all.

Video Update

We wish that we could visit every one of our supporting churches and say "thank you" personally for your sacrifice and faithfulness; unfortunately, time does not allow for it this time. However, we do invite you to take a moment to view our update video. It can be viewed on Youtube by following the link below:

In the video, we hope you will be encouraged by the faces of those who, through your giving, has had the opportunity to know Christ as Savior and are now faithful and growing in church. We pray that you will now be able to put faces to your prayers and know that these are fruit to your account. **Please continue to pray for them, for it is not in vain!**

Work in Hong Kong

In February, the Hong Kong SAR government finally announced the rolling back of all major Covid restrictions – no more vaccine passport, no more daily testing for students, no more gathering bans, etc. We are thankful that Ka Fuk Baptist Church and Liberty Baptist Church have remained stable throughout and that our members are continuing to grow and be involved in the ministry. We pray that this opening up will result in great growth in our churches, both spiritually and numerically, as those who have been restricted may once again join in the services without fear. We pray that God will move mightily in our area and bring more to the saving knowledge of Him.

Prayer Requests

- Pray for members in the churches as they plan for upcoming events – Resurrection Sunday and Mother's Day while we are on furlough.
- Pray for souls to be saved and spiritual growth among believers.
- Pray for our safety as we travel and juggle a full homeschool schedule while reporting to churches.
- Pray that we can introduce and encourage more to the mission field, especially to Hong Kong.

In Christ,

Andrew, Elena, Alexander, Angela, Anthony, and Ashley Au
