"To preach the gospel in the regions beyond you" II Corinthians 10:16

Dear Pastor and Praying Friends,

Now that everything is going back to “normal” (ie, pre-covid), we are thankful to see more of a response in our community regarding coming to church and joining in church activities. We are also thankful for your continued prayer and financial support of our ministries here. Thank you for the notes of encouragement and cards reminding us that there are those who faithfully hold the ropes for us.

We mentioned in our last update that Mandy Law’s father had passed away suddenly in June. Instead of being bitter at God, she was more motivated to reach her family members. For the past several weeks, she has been bringing her mother, who is recovering from cancer and other health problems, to church. **After a recent morning service, Andrew was able to lead Mrs. Law to the saving knowledge of Christ! Please pray for her physical health and that she would be able to continue to grow spiritually.** It is wonderful that mother and daughter are now sisters in Christ and will be able to spend eternity together!

### Vacation Bible School

Our kindergarten, Ka Fuk Baptist Church Preschool, runs for 11.5 months out of the year and we are coming to the end of our current school year. We are so thankful to be able to hold an annual Vacation Bible School as part of our school curriculum. The children enjoyed Bible stories, skits, a Gospel magic show, special snacks, and crafts. But, more importantly, they were able to hear the Gospel. **Praise God, many of the older children raised their hands for salvation.** In addition, Gospel tracts and booklets were given to parents so they could know what their children had been learning throughout the week.

### Elena’s fractured foot

Recently, Elena rolled her left foot and fractured her 5<sup>th</sup> metatarsal. This may seem to recall some “déjà vu” as this is the same bone she broke a few years ago, but in a different spot. We are thankful that the bone is not displaced and surgery is not needed. However, she will need to wear a boot and use crutches for the time being. **Please pray for a speedy recovery and that, in an environment where walking and public transportation is the predominant form of transport, she will be able to get around smoothly.**

### Prayer Requests

- Pray for safety, opportunities, and wisdom as we minister in a place that is transitioning. We are still hearing of and seeing people emigrating.
- Christian and homeschool materials to come in and eventually into China to other missionaries.
- Souls saved and spiritual growth.

*In Christ,*

*Andrew, Elena, Alexander, Angela, Anthony, and Ashley Au*
