
"To preach the gospel in the regions beyond you" II Corinthians 10:16

Dear Pastor and Praying Friends,

Thank you so much for your faithful prayers and support as we continue to serve here in Hong Kong, China. This is the time of year when we spend time thinking about God's goodness and thanking Him. Though Thanksgiving is not celebrated here in Hong Kong, we have a traditional Thanksgiving service, where we are all encouraged to give a testimony of thanks to God. Through these testimonies, we were able to rejoice and remember what God has done throughout the year.

One tremendous blessing we are thankful for is your investment in the ministry. Your investment allows us to see new beginnings in our ministries; new beginnings signify growth and commitment. A wedding would be an example of a wonderful new beginning. One of the young ladies at Ka Fuk Baptist Church, who has been coming since she was in high school, recently got married. Her husband had gotten saved and baptized in our church several years ago. We are thankful for their growth and faithfulness these past years. It has definitely been challenging for them, as both of them are civil servants and there have been changes in how things are regulated.

In addition, Andrew had the privilege of traveling to the Philippines for another wedding. This young lady had gotten saved, baptized, and had been faithfully attending Liberty Baptist Church for the past 9 years. It is a wonderful blessing to see young people follow the Lord and desire to serve Him together as a couple. We are so happy for both of these couples as they start a new life together with Christ as their center.

Another new beginning we have been blessed by is an addition to the church by way of a new birth. Little Charis is the 3rd generation of her family to be coming to Ka Fuk Baptist Church. Her father had been coming to church since he was a youth and practically grew up in church. His mother began coming first, then brought him and his brother. They are all still active in church and serving in various ministries. We pray for many more generations of our faithful families to grow up in church!
