"To preach the gospel in the regions beyond you" II Corinthians 10:16

Dear Pastor and Praying Friends,

Happy New Year! As we start this new year, we look back and are thankful for your continued prayers and support through the years. **Your faithfulness and investment has allowed us to complete 15 years on the mission field.** We are honored by your sacrifice and partnership to reach the Chinese for Christ. Thank you so much for your generosity and for the special gifts, cards, and greetings during the holiday season. Now as we look forward into this year and beyond, we are excited to see what God will continue to do here in Hong Kong.

December was a busy but blessed time. We are thankful for the opportunities to preach Christ through Christmas programs, worship services, outreaches, and celebrations. On December 17<sup>th</sup>, Ka Fuk Baptist Church Preschool was able to have a Christmas program with the entire student body and their families. **We had over 400 in attendance and we praise God for many being able to hear the gospel!** It has been 4 years since we were able to have this type of gathering, covid restrictions having just been removed in February 2023.

On December 23<sup>rd</sup> and 24<sup>th</sup>, we had good attendance and many first time visitors between the services at both Ka Fuk and Liberty Baptist Church. We are thankful for faithful church members inviting family and friends to church. Our children's program sang a special number, made gingerbread houses, and received gifts. We had a meal and raffle after the worship services. It was a wonderful time of food, fun, and fellowship. **Most importantly, we had 8 salvations in these services! Please pray for our follow up**

**efforts. Pray for new believers to join in our Bible study classes and unbelievers to keep coming and make decisions to trust Christ.**

### Prayer Requests.

- Souls saved and spiritual growth.
- More laborers for the ministry.
- Safety, opportunities and wisdom as we minister in a place that is transitioning. A recent district council election saw the number of seats that are directly elected has been cut from over 90% to less than 20%. This is called an "improvement" in the electoral system.
- Larger location for Liberty Baptist Church.
