Dear Pastor and Praying Friends,

Mother's Day is always a highlight for Ka Fuk Baptist Church and Liberty Baptist Church, and this year was no exception. **We are thankful for good attendance, with new and returning visitors, and 2 salvations!** Two mothers received the Lord as their Savior during the invitation. We actually ran out of the special gifts for the mothers in attendance (embarrassing, but a good problem to have).

In addition, Mother's Day is also the 16th anniversary for Liberty Baptist Church. **When we began back in 2008, there were 11 people in that first service. Now, between our Saturday and Sunday services, we have over 100 people.** We are thankful for one lady who has been with us since the very first service and another that was the first to be saved and baptized. They are both still faithfully attending and serving. We thank you for your investment and praise the Lord for what He has done!

Elena's health

Thank you so much for your prayers and concern for Elena. We are thankful that her health is continuing to improve. However, please continue to pray for her as she adjusts to the long-term medications she has been prescribed. Because she is on blood thinners, there are some side effects from the medication. **Please also pray for some additional health issues that have arisen and that God would provide strength through it all.**

Prayer Requests

- Salvations and spiritual growth, especially among new believers
- Safety in the midst of a changing environment
- More laborers and God to raise up local leaders
- New location to meet

We thank God upon every remembrance of you. Thank you so much for your faithful prayers and support, for holding the ropes that allows us to serve here. It truly is a blessing and privilege to partner with you to reach the people of Hong Kong, China.

In Christ,

Andrew, Elena, Alexander, Angela, Anthony, and Ashley Au
