Dear Pastor and Praying Friends,

We are thankful for a good season of ministry the past several weeks leading into the summer months. From kindergarten graduation to Father's day, to church anniversary and Vacation Bible school, we are thankful for God's blessing and His continual working. In addition, we are thankful for your investment in the work of the ministry. Without your prayers and financial support, we would not be able to serve here.

Graduation is always a special time for Ka Fuk Baptist Church Preschool, but this year was extra special because this was our first graduation without any covid restrictions in 4 years! All three of our classes (K1-K3) were able to be on stage and perform. Graduates were able to receive their first diploma. In addition, over 400 family members attended. But most importantly, they heard the Gospel message and were encouraged from the Bible on parenting God's way.

On Father's Day, we had a great service and a fellowship celebration afterwards. We had several new visitors in church, two of them being fathers. Both enjoyed the service and we are working on following up with them. Their families attend faithfully, but these men have shown little interest in salvation. **Please pray for the salvations of Mr. Au Yeung and Mr. Yiu. These families need strong Christian leaders for their homes.**

While many celebrated the turnover of Hong Kong back to China on the first week of July, Ka Fuk Baptist Church celebrated its anniversary. We thank the Lord for a good service with new and returning visitors. **Time flies, as we have been here for 15 years, and it has been exciting to see families and individuals growing in the Lord!** Although many of our members have immigrated over the past several years, we are thankful for a faithful group that remains. They know the uncertainties that lie ahead, yet they desire to make an impact in the community. **Please pray that God will continue to help us touch more lives for His glory.**

Prayer Requests

- Safety and good health
- Salvations and spiritual growth
- More laborers
- Family transition – Alexander will be going to college this fall. Please pray as he adjusts to college, living stateside and being away from family. Pray for us, as parents, as well. We will return to the US for several weeks to help with his transition.

In Christ,

Andrew, Elena, Alexander, Angela, Anthony, and Ashley Au
