

Dear Pastor and Praying Friends,

Our furlough was a busy and blessed time. We were able to report to churches in the South, many of which we have not been back to for close to 18 years. What a joy it was to see faithful people that remember us and have been praying for us for all of these years! We were thankful to also visit Baptist International Missions, Inc (BIMI) headquarters. Our oldest, Alexander, was just a baby the last

time we were there and it was the first visit for our younger three children. **The purpose of our trip was to help Alexander transition back to the States and send him off to college. We are thankful for his smooth transition and his involvement in various ministries. Recently, he was able to lead a 12 year old boy to Christ at a Saturday Bible club. Praise the Lord!**

After a brief two month furlough, it is a blessing to be back on the field and see our church family faithfully serving and involved in the work of the ministry. We are thankful to see new people that started coming when we were away and are continuing to come. Some of these new ones are Shan and Jim and their daughter. They first visited several weeks ago and have shown interest. **Pray with us that they would be involved in our Bible studies and come to a saving knowledge of Christ. Please also pray for our weekly Bible studies and discipleship classes to restart. We**

have new believers that need to be grounded in the faith and unbelievers that we are trying to reach.
