

Dear Pastor and Praying Friends,

Happy New Year! May God bless you with a happy and healthy 2025. We praise God for another year to honor and serve Him in Hong Kong. We are thankful for your prayers and partnership that allows us to serve. May the Lord continue to find us faithful in everything He has given us to do. The end of 2024 just seemed to fly by! December was filled with so many celebrations and opportunities to share the Good News of Jesus.

On December 14th, Ka Fuk Baptist Church Preschool was able to organize an outdoor Christmas program open to the public. The preschool students, from 2-5 years old, sang songs, memorized verses, and recreated the nativity. We also passed out Gospel gift bags to everyone who stopped by to watch. Andrew was able to preach on a loudspeaker about the gift of Christmas. The weather was chilly but it was a wonderful opportunity to share the Gospel and the ministry of the

church and preschool with the community. **Praise God for this unique opportunity to publicly preach Christ!**

The Saturday and Sunday before Christmas were busy days with both Ka Fuk and Liberty Baptist Church. We had wonderful services with great crowds. After the services were celebration times with food, fellowship, and raffle prizes, a fond Hong Kong tradition. We are thankful for many new visitors, and especially thankful that many of the husbands of faithful ladies in our church family were able to attend. **Most importantly, during the invitation time, there were hands raised for salvation and others wanting to know more about Christ. Please pray for our follow up opportunities to be fruitful. Much of the work for the next several weeks will be building relationships and starting Bible studies to help them understand their need for salvation.**
