

Dear Pastor and Praying Friends,

The month of February has been a blessed month. We have seen new visitors come, new believers continuing discipleship lessons, and full participation in Sunday School. Changes at church are always a challenge, especially when people are used to a routine. We made a big change to our schedule at the beginning of the year – moving our morning worship time up half an hour and having Sunday School after the worship service rather than before. During our Sunday School hour, the church family is put into age appropriate groups and Andrew teaches the lesson. **This has helped us with more involvement in Sunday School, more opportunities for fellowship, and most importantly, more time in the Bible.**

New Believers and Unsaved Attendees

We are thankful for new believers with a heart to learn God’s Word. Pray that they will take the next step in believer’s baptism. Also, pray for unbelievers that attend on a weekly basis. **We mentioned these names before – Ms. Hau, Mr. Au Yeung, Victor Tang, and Mr. Mou. Most of them come from a communist/atheist background. We praise God that they continue to come, but please pray for a breakthrough and that they will come to salvation.**

Prayer Requests:

- Souls to be saved
- Wisdom, health, and God’s power upon the ministry
- Spiritual growth of believers and that members will be more involved

Thank you so much for your faithful prayers and support! We are grateful for your sacrifice and partnership in reaching the Chinese for Christ.

In Christ,

Andrew, Elena, Alexander, Angela, Anthony, and Ashley Au
