To preach the gospel in the regions beyond you II Corinthians 10:16

**Dear Pastor and Praying Friends,**

Summer holidays for schools in Hong Kong do not begin until the middle of July, so while many students in other parts of the world are already enjoying their summer, we are just finishing up our school year.

Ka Fuk Baptist Church Preschool (ages 2-6) recently had its graduation celebration for the students finishing Kindergarten and going into Primary school (1<sup>st</sup>-6<sup>th</sup> grade). It was exciting to see many of their family members in attendance. The theme was finding God's love throughout the world. Each of the classes dressed in costumes from different countries and sang songs about God's love. At the end, they discover that wherever you are in the world, God's love can be found. **We are thankful that many who would not necessarily be interested in coming to church were able to hear the gospel clearly presented.**

A unique thing we have with our kindergarten is that we are able to have a Vacation Bible School built into our curriculum each year. So the last 2 weeks of the school year are dedicated solely to giving the gospel to the students through stories, puppet shows, and worksheets. Crafts with the plan of salvation are sent home to parents and the children are encouraged to share what they have learned. For the final lesson, the Wordless Book is presented and time is taken to make sure each child understands. We are truly thankful for this opportunity to tell them of God's love and salvation. Even though they are young, praise God they can still understand the gospel! **We will be following up with a "Graduation Potluck" for the graduates and their parents on August 13<sup>th</sup>. Please pray with us regarding this follow-up and pray for salvations!**

Thank you for your prayers and financial support! We could not do the things that God wants us to do here without your help.

**In Christ,**
