

Dear Pastor and Praying Friends,

October 1st is a holiday celebrating the establishment of the People’s Republic of China. They call it “Golden Week” where many people from China has the week off for travel and celebration.

Ka Fuk Baptist Church and Liberty Baptist Church had another idea of celebrating the holiday – having a baptismal service. **We praise the Lord for 12 that followed the Lord in believer’s baptism.** Each baptism is a testimony of how an individual received Christ and how God has worked in their lives. Many of them testified about the miraculous ways that God worked in their lives and how He led them to salvation and to church. We praise the Lord that He works in circumstances and uses people to be a light for Him in this world.

Chloe testified of how she accepted Christ 2 years ago after coming for the first time to Ka Fuk Baptist Church. She has been coming with her husband (not saved) and bringing her two daughters (3 and 4 years old) to church. She faithfully attends our Tuesday morning Bible study and shared that God has been really working in her life, even making a difference in her marriage relationship. **Please pray for her husband, Mr. Tang, to get saved.**

Another lady, Noemie, testified of how she had been praying for a whole year that God would lead her to a good church. On her first day off, a friend of hers, who is a member of Liberty, asked if she would like to accompany her to church. This was several months ago and we are thankful God answered her prayer and brought Noemie into our church family. **Please continue to pray for more souls to come to Christ.**

Scarlett was an atheist from southwest China that had many questions about God and the Bible. Eventually, she accepted Christ as her Savior and has since brought her husband, sons, and parents to church. **We are thankful that her son, Oscar, received Christ and made the decision to be baptised.**

Thank you for your investment in these precious lives and the work in Hong Kong.

In Christ,
Andrew, Elena, Alexander, Angela, Anthony, and Ashley Au
