YOUR MISSIONARIES TO
HONG KONG, CHINA

Dear Pastor and Praying Friends,

Immediately after celebrating the New Year in January, we also celebrated Chinese New Year here in Hong Kong at the beginning of February. It is the biggest holiday of the year, celebrated similarly to Christmas and Thanksgiving combined. It is a time family and friends get together to spend time with each other to show respect and love. Many businesses, stores and restaurants close for several days to weeks.

Chinese New Year services

During the holidays, we held special services for our English ministry. We invited Bro Frank Denisi, a missionary to the Philippines, to be our keynote speaker for the services. It was a wonderful time of fellowship, singing and spiritual food for all of us. **For the Saturday and Sunday services, he again spoke at both Ka Fuk and Liberty Baptist Church. We had a wonderful turnout, with visitors joining us and souls saved.**

One of the new visitors was someone we have been praying for. In our previous prayer letter, we rejoiced to witness the salvation of Mr Pang. After attending for several months, he was gloriously saved. He had been trying to invite his wife to attend with him and she finally did on this Chinese New Year service! She does not seem open to the gospel but we are praying that she will continue to come. **Please pray specifically for the salvation of Mrs Pang, and that Mr Pang would continue to grow in the Lord. He will be starting discipleship lessons shortly.**

Thank you so much for all of your faithful prayers and support. Thank you, also, for the many who reach out through letters and email, encouraging and blessing us with reminders of your prayers and love.

In Christ,

**Andrew and Elena Au
