PLANTING IN PISA

Feb./March '24

Happy Easter from Tuscany, Italy!

We just returned home from our **Easter Service and Lunch**. We had a much smaller crowd than usual because several of our families are traveling and there has been much sickness going around, but it was still a beautiful time together. We also tried something new this year and had a **special service Thursday night** focusing on Christ's death. It was a powerful message and definitely got our hearts prepared to truly celebrate the resurrection today!

The **Ladies' Bible Study** on *The Fruit of the Spirit* is going very well. BWM missionary to Brazil, **Kelly Love**, was visiting with us last week, so she was available to speak at our last meeting. It was a blessing for her to interact with our Brazilian ladies. She also did a great job teaching children's church.

The **Couples' Banquet** was nice, but we didn't get the turnout we'd hoped for. To be honest, it was a little discouraging; however, we were thrilled that **Fabio and Giada came**. They brought their daughter to VBS last July, and we have tried to keep in contact with them since then. They listened intently to the gospel message preached by **Frank Maietta**. Please pray for their salvation. Fabio's mother, **Elvira**, lives next door to the church and has attended a few of our events. We really want to reach this family.

We celebrated our **30th wedding anniversary** with a trip to Morocco. It was an incredible trip. Not just a fun getaway but much more of a spiritual eye-opener, as this was our first time visiting a Muslim country. It was heartbreaking to hear the men cry out and pray several times a day. Some of you may have seen Jenny's prayer request on social media; she experienced a **severe case of vertigo**. Thank you so much for your prayers! She is doing much better but is still feeling some lingering effects.

Joey is continuing to meet with **Marco** twice a week for Bible college. Jenny meets with Elle and her daughter Belle weekly for Bible study. **Belle admitted to Jenny that she is not saved** and needs to think more about it. We are so grateful that she recognizes this for herself, and we pray she will receive Christ! Elle's **husband just arrived** today from the Philippines, and it will be a difficult transition for him. Please pray for this family as they are finally reunited and making many adjustments.

Ok, I saved the best news for last. We are going to be grandparents! Our daughter and her husband are expecting a **baby girl** in September. We will be going on furlough later this summer so we can be in the States for the birth. We have already scheduled fifteen meetings and look forward to visiting with many of you. Thank you for your faithful support and care for us. We appreciate you so much!
