*April, May, June 2025*

To Our Supporters and Praying Friends,

We have been busy the past several months with a lot of the basic things we do in our ministry such as children's activities and teen activities. We held a special activity for the ladies in the church at our farm in April. They harvested wild grasses and herbs and made a meal with it.

We started an English class for children on Thursday evenings after our mid-week service. That is opened to the public and part of our Evangelistic outreach.

We have a big summer coming up. We will have a college choir with us the first week of June. We will be passing out Gospel literature with them, and then have a one-night Evangelistic meeting with them singing. We have three interns who will be spending the summer with us. Then we have another Bible college ministry group coming to help us out with Vacation Bible School and camp.

We pray that as many laborers will be coming through our ministry in the next few months that their hearts would be burdened to give themselves to a life of Gospel ministry and church planting in Italy. That is one of our main objectives in having interns and mission groups participate in our ministry, to raise awareness for the great need here in Italy, and to help recruit new laborers.

We will have our VBS and summer Evangelistic meeting held together the last week of June. Our theme for VBS this year will be "Reaching the World with the Gospel". This meeting is our most important Evangelistic outreach every year, so please help us pray for God's blessing and that many people will be saved.

Recently we have written a lot about the camps we will be holding this summer. The first week of July will be camp for young children, and the second week of July will be for teens. This first year we would like to have about 20 campers each week. Several other churches in Italy that we collaborate with will be sending kids to the camp.

We are grateful for several churches who have given generously to help us develop the camp. We still have a lot of things that we need, like: sports equipment, grounds maintenance equipment, craft supplies, food, etc...

If you are interested in helping with any of these needs, let us know and we will tell you how you can do that. We would really appreciate it!

We have an Amazon "wish list" if you are interested in helping purchase any of the equipment we are looking to purchase. The link is: <https://www.amazon.it/registries/gl/guest-view/1PFNH8NRCLOJI>

Thank you for your faithfulness to pray for and support the ministry that the Lord has given us with the people of Italy.

Paul Childers
