Engelhart to Heart Talks July 30, 2024

Margie and I finished our furlough and returned to the Ivory Coast on July 19. Our home church, Berean Baptist Church of Rockford, IL were wonderful hosts during our 12 weeks in the US. We reported to 14 of our supporters and visited the Baptist World Mission office. **Thank you** for your prayers for our safety and for the Lord's blessing.

The first week back in Ivory Coast we helped with the children's camp held in a village where we do not have a church. There were 210 campers present, ages 7 to 18, from 14 different Baptist church works. Among the campers who responded to altar calls, 41 were led to receive Christ by a counselor. Eight ladies worked to prepare food over open fires and there were some 25 counselors and group leaders who gained experience serving the Lord in this church ministry. The fellowship and spirit of the camp were good all week. **Please pray** for the follow up on the decisions made and for the young people to continue in service of the Lord.

Here are some pictures :

Margie and I have returned to our regular service in the Abbe village church.
Please pray the Lord to lead us in giving to Gospel there and in the other towns.

In Christ,

Bob & Margie Engelhart
