Engelhart to Heart Talks October 8, 2024

Thank you for your prayers for the work here in Ivory Coast.

This past week the village Bible institute started a new semester with twelve students (eleven men, one young woman). I teach Bible survey on Joshua through Kings and there are other classes by the Ivorian pastors. **Please pray** for these students, two of whom are deacons preaching regularly and most of the others who already teach children's Sunday school.

Attendance at the Abbe village church has been faithful. **Please pray** for these people who have been attending from time to time : Raymond, Gertrude, Liliane, and Nathalie. **Pray** for the salvation of Abdoulaye and Cynthia, the parents of Blancho who went to be with the Lord last year.

Hubert, a man of 34 years and a member of the Donkoi church, passed away in his sleep recently. **Please pray** for the funeral this Friday for Pastor Jean-Luc to preach the Gospel to reach the unsaved.

Margie and I have taken in two teen girls from Donkoi village who are

attending middle school here in Anyama. **Pray** for them as Margie especially works with them on school work and in walking with the Lord.

Margie had a suspicious mole removed recently. The biopsy showed there was cancer present but that it had not spread elsewhere in the body. So, we **praise and thank the Lord** for that !

Thank you for your help in praying with us for the Lord's work here.

In Christ,

Bob & Margie Engelhart
