Dear Praying Friends,

December 12, 2024

Margie and I thank you for your help in praying for the Lord's work here. We wish you all a Merry Christmas and the blessing of the Lord in the new year. Here in Ivory Coast, it seems Christmas and Easter are two of the hottest days of the year.

Pastor Jean-Luc is planning Christmas programs for the village churches. Please pray for Irfa and Abbe, whose combined program will be in Abbe on December 23, and for Donkoi and Akongokoi to be in Akongokoi on December 28. Pray also for several believers preparing for baptism at the end of the year, including Hubert, the village chief in Akongokoi.

The Bible institute continues for the village churches. Classes include Old Testament Survey, the Doctrine of Christ, Missions, and the Christian Home. Please pray for the eleven men and one woman who are taking classes.

Please pray as some weddings are preparing. Regis, who leads the children's choir in Irfa and is preparing for the ministry, plans to marry Ange on February 22. Both are taking institute classes. Two faithful members of the Irfa church, Donald and Andrea, hope to marry in the Spring at Irfa.

Margie and I continue working with the church in Abbe village. Two teen girls, Reine and Dorcas, memorized verses and were awarded Bibles recently and show some encouraging growth in the Lord. Please continue to pray for Nathalie and Raymond who attend faithfully and also for Charles and Esaias, recent arrivals, who show interest in learning the Bible.

As for here at the house, thank you for praying for Mireille and Audrey, two teen girls from Donkoi that we have taken in for the school year. Margie works with them every day in their studies and walk with the Lord. I am just recovering from two weeks of a flu bug, so please do continue to pray for our health and also for safety on the roads in our town and the city as aggressive drivers and motorcyclists are more and more numerous. "Ye also helping together by prayer for us..." Thank you!

In Christ,

Bob & Margie Engelhart
