Engelhart to Heart Talks April 8, 2025

Thank you again for praying for the Lord's work here in Ivory Coast, Africa.

The three village churches each had a mission conference in March. In Abbe village the faith promise increased about 20% for which we thank the Lord.

The Bible institute for the villages started a new trimester in March with eleven students. **Please pray** for their preparation to serve the Lord as Sunday school teachers and pastors.

This coming Saturday the church in Irfa village will have the wedding of Donald and Andrea who have been faithful in the church all through their teen and young adult years. **Please pray** for the Gospel of Christ to be given effectively as we expect several hundred people to attend, many of whom are unsaved.

Three years ago I asked you to pray that we could get a good used motor

for the Toyota station wagon. The Lord answered and our mechanic found a good one. It continues to do well. **Please pray** this time for a solution for the Jeep whose motor is too tired to go up the hills to the villages anymore.

Sincerely in Christ,

Bob & Margie Engelhart
