

Engelhart to Heart Talks June 24, 2025

I would like to ask you to pray about the following matters :

For the Lord's direction for Margie and me as we prepare a trip to the US, September to November. I need to give a report to the Fields committee at the BWM annual meeting in October. Also for the Lord to watch over and make fruitful the churches (in Abbe, Irfa, Donkoi, Anyama) in our absence.

For the Lord to bless a youth meeting and activity for the teen girls on July 12. Many are orphans or do not have strong Christian fathers. Pray that the girls would set clear goals to follow the Lord's will to adulthood.

For the Lord to direct in preparations for the children's village camp July 22-26 to be held in Donkoi village : For the content of the program, for the training of the staff, for parents to be able to pay the cost (\$ 9 per camper), and for transportation to and from camp. Last year over 200 children came.

For the recovery from surgery of Mme Bia, who had an infected eye removed this week. She is a faithful member of the Donkoi church and the mother of deacon Gnibinin.

For the Lord to help in the recovery of Mme Tebi, who had a c-section to remove a baby who died in the womb in the 9th month. For her husband Pastor Romeo who has attacks of gout and severe back pain. Romeo helped start the Donkoi church with me years ago and now pastors a church on the south end of our city.

Thank you again for helping us by prayer. If you reply, you may do so to our regular address bengelhart@baptistworldmission.org
