Engelhart to Heart Talks August 1, 2025

Thank you again for your prayers. Summer children's camp July 22-26 was held at the church in Donkoi village. 226 campers from fifteen church works were present under the direction of Pastor Jean-Luc along with 25 staff members. The camp theme was "Let's live for Christ." 2 Corinthians 5.15

Skits, songs and preaching in the meeting room.

The Donkoi host church children sang

The city kids went on a hike through the forest ...

... down to the river Me.

The campers were put in five groups for the activities :
“The Children of God” - best skit and best original song
“A Peculiar People” – best original poem

“The Chosen Generation”

and :

“The Holy Nation”

“Citizens of Heaven” –winners of the Bible quiz

Counselors said that eighteen children prayed to receive Christ as Savior during the week. **Please pray** for their follow-up and growth.

The week after our camp we had a visit from Mike and Hannah Martin. Bro Martin is our BWM administrator for Africa. They saw the village works in our area and the works of two other BWM couples here in the Ivory Coast. **Pray** that the Lord would raise up many more servants for the Gospel here.

Margie and I plan to be in the US September to December. **Please pray** for

the Lord to bless our trip, allow us to see some of you, and bring us back here for another go.

Sincerely,

Bob & Margie Engelhart

Anyama, Ivory Coast
