Engelhart to Heart Talks January 6, 2026

Margie and I have been back in Ivory Coast for a month now. Pastor Jean-Luc took good care of the village churches while we were gone.

Akesset, the Bible institute student who was married in August just before we left, witnessed to Carlos, a man working in the field next to his, and won him to Christ. Carlos and his girl friend have been coming regularly to the Abbe village church for five weeks now. **Please pray** for their growth in Christ.

The four village churches held a combined Christmas program for children on December 26 at the Abbe church with about 150 children present. The churches got together in Donkoi village for a New Year's Watchnight service with messages from three of the institute students.

As I write this, Donald and Andrea who were married in the Irfa church early last year, are to have their first child born tomorrow (Wednesday) by cesarean. **Please pray** for a safe operation and recovery.

Margie and I are doing well health-wise and are getting back into our routines in the new year. Mireille, a teen girl who stayed with us last year, is with us again, so **pray** for her as Margie helps her in this exam year. Finally, **please pray** for some particular needs : both of our vehicles will need to pass inspection in the next several weeks and there are some house repairs to be done.

We wish you all the blessings of the Lord Jesus Christ in this new year 2026.

Bob & Margie Engelhart, Anyama, Ivory Coast
