Engelhart to Heart Talks March 7, 2026

Margie and I appreciate your prayers for us and the churches here in Ivory Coast.

We rejoice in professions of faith in Christ that resulted in baptisms last Sunday, March 1. Mikael is the head teacher at the public school in Donkoi village and has been attending the Donkoi church faithfully for over a year. Emmanuella is a young single woman reached by visits to a nearby plantation from the Irfa village church and has been coming to services for two years. ***Please pray*** for them to grow in Christ and be used of God to win others.

The village Bible institute classes continue this trimester and we hope to graduate several men this summer. **Please pray** for their preparation for greater responsibilities in the ministry. **Please pray** also for the wedding of Jirres and Grace next Saturday. Jirres is a member of the Donkoi church and Grace comes from a Baptist church in the city of Abidjan. They met during inter-church youth activities a couple of years ago. We are glad for couples who will bring stability to the local churches.

We are getting electrical service and meters installed in the Abbe and Donkoi village churches. **Please pray** that the buildings could be used for evening services and to project Christian films occasionally. **Pray** for some other projects to be useful : replacing the roofs on the Donkoi Sunday school rooms and digging a septic for the Abbe church.

Margie is again helping Mireille, the teen girl from Donkoi who stays with us, as she goes through middle school. Her older brother and her two cousins stop in often and find a welcome here. **Please pray** for their continued good attitude and willingness to learn to follow Christ. **Thank you** for praying as both our vehicles passed their annual inspection and we replaced part of the roof on the house to fix some bothersome leaks.

Thank you again for your help !
