Engelhart to Heart Talks March 24, 2026

We thank you very much for praying for us and for the ministry with the people here. It is the hot, humid season and the water system here has been on-off.

Mireille, the teen who is staying with us for the school year, lost consciousness Sunday March 8 in the afternoon and could not be awakened. We took her to the hospital. She woke up the next day but did not talk or walk for three days, which scared us all. The tests showed she had a bacterial infection, was very dehydrated, but did not have a stroke. She finally came home the fourth day and rested and missed a second week of school. She went back to school yesterday. **Please pray** as she feels she has fallen far behind.

Jirres, a faithful young man in the Donkoi village church, and his bride Grace were married March 14 in her Baptist church in Abidjan. Pastor Jean-Luc preached at the wedding. The next day, Sunday, there was a reception for Jirres and Grace at the Donkoi church. **Please pray** for the Lord to bless this new family. Here are some pictures:

Saturday, March 21 the ladies of the Donkoi, Irfa and Abbe churches had a meeting to study Proverbs 31 and learn about being a Useful Woman. They invited friends and three other ladies came for the first time. JeanLuc wife and I did the teaching. **Please pray** for these ladies to trust themselves to God's plan.

Please pray for the missions conference this week at the Abbe church Thursday through Sunday. National missionary Daniel Barou, who was sent out by the Anyama church to develop a church work in the city of Abengourou, will be the guest speaker.

Thank you for your help in praying for the Lord's guiding hand in these ministries.
