Proverbs 18:22, "Whoso findeth a wife findeth a good thing, and obtaineth favour of the LORD." In May Lisa and I celebrated 31 years of marriage. She has served the Lord faithfully by my side here in Lithuania for 27 of those years. She surrendered her heart to be a missionary when she was only 16 years old. I appreciate her love for the Lord and her dedication to the ministry that God has called us to. I could not imagine life without her!

We would like to express our gratitude to every one of you who pray for us and give financially so that we are able to live and serve here in Lithuania.

On the Saturday before Easter we organized our annual Easter Egg hunt. Before the hunt was held in a local city park we all met at the church for a short Bible lesson and Gospel presentation. The kids, together with many of their parents, heard the clear truth about our precious Lord and Savior - how that He died, was buried in a tomb, and rose again the third day. Salvation is through Jesus alone

The last session of Bible Institute classes for the Lithuanian students was held on Saturday, May 10th. There were four students who completed all the courses and graduated this year. It was a blessing to hear from several people who attended classes this past year occasionally, say that they will officially enroll as students in the fall. Please pray for the men in the pic on the left. These men have surrendered to the call to preach. Their names are (from left to right) Gediminas, Vladas, Titas, Tadas, and Eligijus. This is the next generation of preachers in Lithuania. Glory to God!

The last session of Bible Institute classes for the Russian speaking students in Helsinki took place on Saturday, June 7th. Missionary Seth Richards and I flew to Helsinki, Finland to teach "in person" during this last session of classes (most of the classes we teach over the internet via Zoom). Bro. Seth and I stayed through the weekend and preached during their church service on Sunday. It was a blessing to meet face to face with many new students in Helsinki and see how that God is blessing that church with their outreach into their city.
