**Happy Thanksgiving!** This is a pic that was taken over 25 years ago in my home town of Superior, Wisconsin. At that time we were just kids who stepped out by faith to follow God's will for us to go to the country of Lithuania and serve as missionaries. God has always been faithful! I also think about all of you - our faithful financial supporters and prayer warriors. You have also been there for us all along our journey as missionaries. Lisa and I would like to thank you *"For your fellowship in the gospel from the first day until now;"* (Philippians 1:5)

**Short trip to Daugavpils, Latvia:** This city is the second largest city in Latvia and it is located just over 50 miles to the northeast of Utena. A former missionary to Lithuania, Dr Joe Morell, brought a group of men to teach in the Bible Institute during the first session of classes in Kaunas. While here we made a trip to Latvia to explore the possibility of starting another Bible Institute location there in a church.

**Teaching Trip to Philippines Sept 19-29**

This year we held one main conference for pastors, missionaries, and christian workers in the mountains of north-central Mindanao. There were 89 churches represented with a total of 196 pastors/missionaries, 44 church workers, plus others. Roughly 300 people in attendance for the 4 day meeting.

**From Philippines to USA to Teach:** I flew back to the USA with Dr. Morell and taught in the MTM session of classes at his home church in Arkansas during the first full week of October. After that I was able to travel to Fort Worth, TX to spend some time with my Mother-in-law helping her with some projects around her house.

**Above:** We just finished our second session of classes in Lithuania.
