Opportunities to get involved

As we plan for next year, we have a couple of prayer requests that we are trusting God to provide.

First, I am wanting to take Cindy and the kids with me on a clinic trip. They get to be a part of the ministry from the backend, but I feel it is important for them to experience a clinic and see God work firsthand. We are praying to raise enough funds for our family to serve together in Peru next year. Thank you so much to all of you who have already donated toward this trip. We still need to raise \$7,000 and the balance is due by February 1. If the Lord would lead you to help with this need, please use the links below to donate directly to this trip.

Secondly, MMO is hosting our second annual GALA fundraiser on April 24th. I would like to extend an invitation to anyone who would want to join us for this event. Further, we are seeking additional sponsors to help make the event a success. The Gala is designed to raise funds for special ministry projects. Perhaps your church or business would like to be a sponsor? If you are interested in sponsoring or attending, you can find more information at the link below.
