Friends and Ministry Partners,

It's go time! Everything in life comes in seasons and I truly love the summer season! Not because of cookouts, swim parties or vacations...but because it is

our busiest clinic season. This afternoon my family will head down to Peru as part of the team to provide medical and optical clinics just outside of Lima. After Peru, my family will come home and I will head straight to Honduras for another week of clinics.

Over the next 6 weeks we will take 226 team members to 6 different under-developed communities to share hope, healing and the Gospel message! As you can imagine, that is a lot of hotel reservations, meals to plan, supplies to pack and flight itinerants to keep. Please pray for the logistics, our safety and our health to stay strong as we travel. We are trusting God for a fruitful season of ministry.

Please read to the bottom of this email to learn how you can stay connected and be ready for our 2025 calendar launch on June 1st!

### **Recent trips**

Our trip to the Dominican Republic a few weeks ago was a great success! It was wonderful to be back with Pastor Ramon Castro and serve alongside his church family. We were able to see over 1,500 patients through our various clinics. We heard great reports over the past couple of weeks about the impact

that was made in the community and the doors that were opened for the Gospel to advance.

### Upcoming Trips

May 29-June 8: Lima, Peru - Medical and Optical Clinics

May 31-June 8: El Progreso, Honduras - Medical, Optical, Dental, Physical Therapy and Soul Care Clinics

June 7-15: Santa Rita, Honduras - Medical, Optical, Dental and Physical Therapy Clinics

June 14-22: Santa Barbara, Honduras - Medical and Optical Clinics

Follow MMO on Facebook and Instagram to see the calendar launch video that will be released on June 1st. Also, staying connected through social media will

help you know all that is happening through our clinics this summer.

If you feel led to travel with us in 2025, be ready! Last year the trips filled up fast and I would anticipate the same thing for this year. The sooner you can sign up, the better!

I would love for you to travel on a trip with me on a 2025. If you're interested, please send me a message and I will be glad to help you through the process of getting signed up.

Serving Him,

Joseph Wicks
