March 2025

Dear Paston & Praying Friends,

Let's welcome Spring! We're sure many of you folk are looking forward to Spring. Here in Rio Bravo, Mexico we are already hot & dry, seemly no rain in sight, but most of the people are happy, with the heat more than the cold, so the Lord is blessing & we praise Him for His loving care day by day.

Here in Calvary Baptist Church, in Rio Bravo & all the Churches in the Veracruz area are getting ready for Easter. We're planning Special Services & Special programs with the Children and the Young People to draw the Parents in to see the Programs & Singing, then the Paston will preach a good message on the Death & Resurrection of our Lord Jesus. Please pray with us as the Lord leads & works in our lives & all involved.

The Drug Cartels are upset with President Trumps new ruling on drugs coming across the border, so Mexico has lots of Solgiens checking each vechile before they cross over, it takes hours sometimes to cross, but they have & are finding many drugs before they cross, so praise the Lord for that.

Please keep praying with us about 2 new families we are working with to be faithful & serve the Lord, we see progress, Praise the Lord.

Many thanks for your prayers concerning our Paston's wife Diana, praise the Lord she got another good report last month from her Doctor, please keep her in your Prayers.

We praise the Lord for 3 young people who visited Sunday night, please pray they will keep coming & be saved.

May the Lord bless each of you for your Love & Concern for the Lord's work here in Mexico. Thank you for your faithful prayers & financial support, which are so needed for the Lord's work to go forward.

In His Service,
Charles & Jeweldean Strong
