Dear Praying Friends,

About three weeks ago we went to a new section of Zacatecas that is a gated community. Because this area is not yet finished yet, there is no attendant keeping people out. We have gone there a few Saturdays to this section that is more well to do. Every week there we have seen people saved. This is a little bit unexpected but God knows what He is doing.

A few weeks ago Lidia's niece Ana came from Spain with her husband and son. We went out to eat together and Lidia invited them to come to church. That Sunday morning they all came and Javier her husband heard the Gospel and trusted Christ to save him! We also gave him a new Bible to take home with him so he could start reading it. We heard that there are no churches there, only the catholic and Jehovah witnesses. Please pray that we can find them a good church to go to.

There have been nine first time visitors that have come to church since our last letter. We always take them aside and give them the Gospel. Many get saved but some do not. Lupe invited her cousin and his wife to come to church. We had been praying for him because he was very sick. They came to church to thank us for our prayers for him. After the service Br. Raul talked to him but he did not get saved. He is trying to save himself and of course there is no salvation apart from faith only in Jesus. His wife heard the Gospel and we found out that she was already saved. We must do all we can while there is still time.

Since our last letter Lidia and I have seen 10 people trust Christ and our church people saw 15 get saved! Please continue to pray for our safety here in Zacatecas. The crime has gone through the roof and the dangers are great. Also please pray for my stepmom Pam who is now blind and in an assisted living center. She is not doing well and we don't have any guarantees of anything. My dad is also not in very good health and he is living by himself. Thank you for all that you do for us. May God bless you all in His service. We want to wish you a happy Thanksgiving!

Yours for souls,  
Mike and Lidia Lemma
