Dear Praying Friends,

My wife had a ladies' meeting in February. It was a really good day! There were 31 people that came and one of them was a first time visitor who got saved! A lady named Lupe, who comes to the services in Pozo, invited her grandson and since then he has come every week. We have a number of children that come every week. It is Lidia's favorite time to teach the kids and spend time with them.

In the church in Zacatecas, Lucy invited a friend of her son's and he came to church and got saved! It is a blessing to see the church people actively involved inviting their friends to come to church. This past month we had five first time visitors come to the church services. We also take to time to take them aside and give them the Gospel. We are trying to do all we can to see the Kingdom of God grow. Please continue to pray for us.

There is a nine year old girl named Dayana that comes to church in Pozo. Her twin sister also comes faithfully. As of late their mom has been coming. A few weeks ago their dad also came to church and got saved! Dayana has severe health problems. She was born with a deformed foot and also some other problems. She had the beginning stages of gangrene and we investigated what to do to fix the problem. Her foot is healing nicely but it is still deformed. We made arrangements for her to go to the Shriners hospital in Mexico City. Her parents will go with her by bus for this 11 hour trip. Please pray that they will decide to help her and maybe fix her foot so that it can be more functioning.

Aurelio, one of our men, has a 12 year old son named Osbaldo. He was diagnosed with leukemia and they are presently giving him chemo treatments. His parents do not understand what is going on. Please pray for this family in their time of trouble.

This past Saturday, for the first time, Br. Manuel and his wife went out soul winning with us! We had a good group that day with people saved. This past month my wife and I led 20 souls to the Saviour! Our church people saw another 40 trust Christ as their only hope for Heaven! In about six weeks our daughter will be having her first baby; our first grandchild! I am still hoping that it will be twins! We already had triplets born to one of the married couples at church! Please pray that everything will go well. Thank you and God bless you!

Yours for souls,
Mike and Lidia Lemma
