Dear Praying Friends,

We had four first time visitors come to church with us in Pozo. Matias is ten years old and he comes to church with us in Pozo. His mom has been coming occasionally. Last week his dad came and he really enjoyed the services. Pray that his family come back. Yesterday Alexa and Aure came to church in Pozo. They had seen one of the ladies that lives near them being picked up to go to church. When the van arrived they asked if they could come to church. They got in the van and came and enjoyed the children's class!

A few weeks ago, Lidia, took one of the church ladies home. Olivia lives about 15 miles away in a ranch area. When they arrived, Lidia saw a bunch of children and teens near her house. She gave the Gospel tracts and began to witness to them. They all intently listened and they all asked Christ to save them and give them eternal life! Last Saturday at the hospital I came in contact with four adults that were outside because one of their grandchildren was in the hospital. I talked to them and they were interested in hearing the Truth. They trusted the Lord for their salvation and then I asked them where they were from. They told me that they were from Pozo de Gamboa. I told them about our church there and they asked me if it's the church that comes there in a green van. I told them yes. They already knew us but not the Gospel. Pray that these would come to church in Pozo.

We had mentioned to you about Dayana. Her and her family took a trip to go to Shriners in Mexico City. We were hoping that maybe they would start the process to fix her deformed foot. The final end was that they talked to her mom about amputating her foot and the little girl left the room crying. So we realized that this option was a dead end road and a waste of time and money. Please pray for this little girl that maybe something could be done in the near future to fix her problem.

This past month Lidia and I were able to lead 40 souls to the Lord! Our church people saw another 24 trust Christ as their only Saviour! We have been actively going out soul winning at the hospital and also in Zacatecas in the local area. So many have never heard the Gospel and do not even have any idea how to go to Heaven. We want to thank you for helping us to reach these people with the Gospel.

Yours for souls,
Mike and Lidia Lemma
