Dear Praying Friends,

A few weeks ago my brother and I repaired the church roof before the rainy season starts. It seems that there is a never ending list of things to fix and put in order! Also please pray for the rain to start because everything here in Zacatecas revolves around rain. It has gotten hot here and will not cool down until the clouds and rain come.

We had a few of our former church people return to the services here. Please pray that they will continue to come. We had two of our teens and their mom hold a teen meeting at their house. We did not help them but encouraged them to do it all. They had food and a great time of fellowship and it all work out very well. There were 13 teenagers that came to this meeting.

Lidia and Bertha were out soul winning when they ran into a man in his vehicle. He had a hard facial expression and they thought that he would not be interested. He surprised them and gladly listened to the Gospel and he got saved! He also thanked them for taking the time to show him the truth. Daniel lost his leg a few years and he said he is a fireman. They invited him to come to church and he said that he would come.

Another incident was when Lidia and Bertha knocked on a door and a teenage girl answered. She was busy cleaning the house because her mom works selling food. They thought that she would not be interested but she gladly made the time to hear the Gospel. She trusted Christ as her Saviour!

Since our last prayer letter, Lidia and I have seen 28 souls trust Christ for salvation! Our church people led another 54 to receive Christ as their Saviour! We continue to plow the fields hoping and praying for a harvest of souls. Thank you again for your prayers and support!

Yours for souls,
Mike and Lidia Lemma
