Dear Praying Friends,

This last Sunday, Roberto brought his sister and her son to church. They had never come before because they live in the USA. My wife went up to her and asked her about going to heaven when she dies. She said that she knew and that her brother had already witnessed to her. This is a blessing because, so few, actually get involved in witnessing and inviting others to church.

A few weeks ago we celebrated Father's day at our church. We honored the fathers and after the services we had a delicious meal for everyone. Many of the ladies were involved in the work and in the preparations. Lidia was pushing for us to have Menudo to eat (Mexican tripe soup) but fortunately it never worked out!!

Lidia also held a ladies meeting. It was well attended and there was a good spirit there. They had their meal and other activities that they so always enjoy. One of our young ladies, Claudia, took care of the children during the meeting. Praise God for people willing to help.

My son Stephen's in laws came to visit us for a few days. We enjoyed the time of fellowship together and Lidia, of course took them out to the downtown to go shopping. Another day of visiting was on the Fourth of July. For us it was to celebrate Independence Day and all that our great country has done through the years. We had another missionary family come to visit us for a few days during that time. A third couple also came for the meal. He pastors in another city and they are good friends. We had a great time of eating and fellowship on July 4th.

Since our last letter my wife and I have led 45 souls to the Saviour's feet! Our church people were able to see 38 people trust Christ as their only Saviour! We also had 8 first time visitors come to the services at our two churches. We want to thank you for your continued prayers and support for the ministry here. Thank you for all that you have done for us over the years.

Yours for souls,
Mike and Lidia Lemma
