Dear Praying Friends,

We would like to thank you for your prayers and financial support for the ministry here in Zacatecas. Things have been going well this past month. We had a ladies meeting in Pozo that went well. As a church we have been working on building a playground for the children. We are almost done and the kids are itching to play there! We have had much volunteer help from a number of our church people. We should be done this week. We will be having another ladies meeting next week for the ladies of the church in Zacatecas. Please pray for this.

We continue to go out soul winning looking for people that are interested in hearing the truth. Not everyone wants to hear but we are sowing the seed hoping and praying for God to give us eternal results. Since our last letter my wife and I were able to lead 42 precious souls to the Saviour! Our church people led another 47 dear people to Christ! We want to thank you for holding the ropes back home making all of this possible.

Lupe has been coming to church for many years. She has gone out soul winning with us a few times in the past. Recently she started to go out again to win souls and her family has been fighting her. They tell her that she has gone nuts, and that she has passed the line being an extremist. She is having a hard time with this but she continues to go with us to try and see people saved. Roberto takes paperback Bibles to give away to people near where he lives. He also hands out Gospel tracts in the downtown area looking for open doors to be able to witness for Christ. He has zeal and courage but it is easy for him to be hurt by peoples' comments. Obviously no everyone wants the truth.

Mirna invited her sister in law to church and she brought her three children with her. They have come back a number of times and the children love church. They are very polite and very well behaved, which is not the norm nowadays. Daniel got saved at the hospital and has been coming to church for a few months now. Just recently he brought his girlfriend and she got saved!

Bertha has been coming to church for many years and she is a faithful soul winner. She is legally blind and always needs help to get to work or to cross the street. She always takes advantage of the opportunities to witness to the people or to give them Gospel tracts. She recently told her neighbor, who is dying of cancer, how to be saved. She gives the Gospel at the different locations where she does her work as a lawyer. She can hardly see and it is a great battle for her BUT she does all she can to witness to people and invite them to church. May we as saved people imitate this great spiritual attribute. Thank you and God bless you!

Yours for souls,  
Mike and Lidia Lemma
