Dear Praying Friends,

A few weeks ago Osbaldo, a 13 year old boy passed away from leukemia. He was saved and his family knows Christ but it was and is still a difficult time. We were there to sing some hymns and be a comfort to them. I was able to preach a message at their house where they had the viewing. I was also able to preach a message to the people at the graveyard. There were many saved as a result of these efforts. I believe God used us to see some of their friends and family saved. Please pray for this hurting family.

On a more positive note, one of our ladies held a ladies meeting at her house. She did all the work, the meal and the lesson for the ladies that attended. My wife really enjoyed this because she usually does all the work with only a little help from the ladies. The ladies were blessed by what they saw and heard in that meeting.

Lidia's mom came to Zacatecas to visit us and to seek some medical help. She was here for two weeks and Lidia really enjoyed the time that she spent with her mom. We also celebrated Lidia's birthday one Sunday at church. We sat down together and ate pizza. She celebrated 29 years old again this year! She also wants to thank you for your cards and notes.

During our hospital soul winning Lidia spoke to a group of about 15 people that were there waiting to hear news about their family member. Some of these people trusted Christ as their Saviour as they were suffering, thinking about their loved one. My wife and I led 33 people to Christ and our church people another 18 trusted Christ for salvation!

In our church services in Pozo and also in Zacatecas we have seen visitors get saved! Jimena came to the services in Pozo and my wife talked to her about Heaven. She got saved! Br. Raul led Hugo to the Lord after the church service. His wife led Norma to the Lord that same day. We continue to plow the ground sowing the seed of the Word of God waiting to see eternal results. We want to thank you for your help, support and prayers for us as we do the work that God has given us to do.

Yours for souls,  
Mike and Lidia Lemma
