Dear Praying Friends,

A few weeks ago we celebrated our church's anniversary. We did not have a special speaker come and God still blessed our efforts. Our people were very actively involved and we had many visitors that day. There were people saved and everyone really enjoyed what God had done for us on that day. We had 100 different people come to the services that day!

Also in both of our churches we had special days giving out school supplies to the children. In the church in Pozo the people are very poor and do not have much money to buy these necessary items. The children were happy and so were their parents. We had visitors and people saved as a result of these special days! One new lady came with her two daughters and they have come back a number of times. Pray that they will be faithful to church.

Agustin, one of our men that comes to church with his family, asked me to preach at his mother's burial. There were probably around 80 people that heard the message of salvation. Obviously, the majority is catholic and needed to hear the message of eternal life in our Lord Jesus Christ. Please pray for this family as they are hurting because of the loss of their mom.

As of late we have been praying for rain. It has been a very dry summer and many people are affected by this drought. In Pozo it is especially difficult because the people are farmers and with no rain there are no crops and no food for the livestock. Also the people do not have any real source of water. All of the people that sell well water have no place to go to get the water. All the wells have dried up.

Lidia was interviewed on a Spanish Christian radio station concerning her life and the book *Stay in the Castle* written by Pastor Jerry Ross. This was a blessing to her to be able to lift up the name of Christ for all He has done using other servants of God. She also held a ladies' meeting in Zacatecas that was well attended and a blessing to all that came.

Since our last letter we were able to see 28 people saved and our church people led another 17 to the Lord! We had 20 first time visitors in our church services! Please continue to pray for us and for the safety here in Zacatecas. Thank you for being behind us all these years.

Yours for souls,
Mike and Lidia Lemma
