July 9, 2024

Dear Praying Friends,

Tomorrow a group of 17 people will be coming to visit us for a week. Pastor Callaghan and his family and some of his church people will be here for a week. Abigail, her husband Raymundo and our granddaughter Adela are also coming and Abi has ten million things planned for this short time. There are two Vacation Bible Schools planned; one in Pozo and one here in Zacatecas. We are taking our church people to Jerez for one of the services. Please pray for all that we have planned and that God will bless.

On Father's day we had a special meal for the dads. Our church ladies brought food and were involved in the details. We had a good attendance. Lidia held a ladies meeting in Zacatecas and there were 32 people that came! Heidi, who got baptized not long ago, brought a friend named Claudia. My wife witnessed to her but she did not get saved.

One Sunday after church Lidia was locking up the buildings when she saw a lady parked in her car outside the church. This lady named Talmi was waiting for somebody. My wife gave her a Gospel tract and witnessed to her. She willingly heard the Gospel but she did not get saved. While out soul winning at the hospital Lidia was witnessing to some people and Lupe was with her. Some doctors were passing by and they stopped and ask Lupe for a John and Romans. This is not normal as most of the doctors refuse any booklets or tracts. These doctors were asking for them! We are always looking for people that want to hear the Gospel!

Ana, our niece, came from Spain with her husband Javier and her son Adrian to visit her parents. They came to church with us one Sunday. We also spent time with them. It was a blessing to see them. Javier got saved last year at our church and I looked for a good Baptist church near where they live and I never found anything. It is so sad that there are so many areas with no good Bible preaching church.

Since our last letter our church people saw 23 people saved and we saw another 17 trust Christ as their only Saviour! Please continue to pray for us as we labor on here in Mexico. Thank you and God bless you all.

Yours for souls,  
Mike and Lidia Lemma
