August 13, 2024

Dear Praying Friends,

This past month was extremely busy! Abi and Raymundo and our little Adela came to visit us on a missions' trip from their church. We had 15 people staying in our house and two others that stayed in a hotel. The week was filled to the brim with different activities. We had a Vacation Bible School in Zacatecas near to where some of our church people live. That day it was drizzling and it appeared that it was going to rain. We all prayed and continued working inviting the people and in the end it did not rain until after we finished! There were 116 people in attendance with 39 trusting Christ to save them! In Pozo we held a Vacation Bible School in the church building there. We had 209 people inside the small building with 49 souls trusting Christ for salvation!

On one Tuesday we took the group to the hospital to make visits and go out soul winning. We had tried to get permission to go inside the buildings to give toys to the children in the cancer ward. We were denied twice and basically there was no hope to get inside. Abi took a group of about 10 people to ask for permission to one of the security people. That person told them no but told them to go to the next desk and talk to a boss. That boss also said no but as that answer was given, the boss of the whole hospital was leaving and this security person asked the big boss if Abi and the group could go in. The big boss said yes and then escorted them inside to all of the floors to visit with the people and pray with them! This obviously was an answer to prayer! We also had people saved that day in the hospital.

Our church ladies were a big help during this week of visits. Many of them prepared meals for the church group. It was a blessing to see our people involved in all areas of the ministry that week. Daniel brought his fiancé to church and she heard the Gospel and got saved! Noe brought three children to church that came with his own kids. Jorge brought two of his coworkers to church and they both got saved! Not including the Vacation Bible Schools, we had 15 first time visitors that came to church! After the VBS in Zacatecas a family that lives nearby came to church with us! Please pray that they will return.

In our soul winning, Lidia and I were able to see 29 trust Christ for salvation and our church people led another 36 to the Lord! Please continue to pray for the work of God here in Zacatecas, Mexico. Also pray for our daughter Abi as she will be giving us another granddaughter in December!

Yours for souls,  
Mike and Lidia Lemma
