Dear Praying Friends,

Lidia and Rosa went to Pozo, the village church area, to make some visits. They arrived at Dana and Alejandra's house. Their mom and grand mom were there and Lidia took the opportunity to witness to them. They both got saved asking Christ for eternal salvation! Last week we were out soul winning in a new area. There were not many people around. I came to a house that they were building. I gave Romans and tracts to three men that were eating. I began to witness to them and then another man came and sat down with them to hear the Gospel. All four of the men trusted Christ to save them and take them to Heaven!

We want to thank God for taking care of us these many years here in Mexico. There are always dangers and it is necessary to keep our eyes open and pray to avoid any problems. We do appreciate your prayers for us in this area. Another issue is the fact that we are not getting any younger! I have been going to the dentist getting my teeth fixed. It seems to be a never ending problem. When he cut down one of my teeth leaving a gap, I tell the people that my wife hit me and I lost the tooth!

We continue to have our young men preach one of the services on Sunday. Raul, Isaac and Adair preached in these past weeks. We also have had many of our people participating in special music. This is a blessing to us and to the church people! We have a good group of ladies in the church in Pozo. Many battle with different problems in their families. They are growing in the Lord and this is a blessing. We had cake to celebrate my birthday in both Pozo and Zacatecas. In our Zacatecas church we also had a taco meal after the mid week service. It was delicious!

Since our last letter Lidia and I saw 26 people trust Christ for salvation! Our church people led another 14 souls to the Saviour! We continue to be busy serving God and doing His will here in Zacatecas. Thank you for your prayers and support.

Yours for souls,
Mike and Lidia Lemma
