Dear Praying Friends,

My wife was at the church preparing a meal for Sunday to celebrate her birthday. When Lidia and Sister Lencha finished the work they were locking up and they saw a van and a trailer parked outside the church. They had a flat tire and they were waiting for help to come and rescue them. Lidia took advantage of the time and gave them all Gospel tracts. There were 18 young men there who were going to play music at an event. She also began to witness to them. They were all willing to hear and they asked questions. In the end my wife was able to lead all 18 of those young men to trust Christ as their Saviour! Earlier in the day we had gone out soul winning but Lidia did not have anyone saved. So God gave her another opportunity with much greater results.

We had our special days in the Pozo church and in the Zacatecas church giving away school supplies to the children. Everything was given away and we had nothing leftover. We had good attendances in both of the churches and there were first time visitors and people saved as a result of these gifts. We had 14 first time visitors come to church with us this past month! We always talk to them about how to saved. Anita and her daughter Violeta came to church with us and they both got saved! Lupe brought her boyfriend to church and he got saved! Romina has been coming to church with us and her mom brings her. Romina is four years old and they told her mom that she has type 1 diabetes. What a terrible situation for such a young girl. Her mom got saved and they have come back a few times. Please pray that all these continue to come to church with us.

My wife and I were able to lead 39 people to Christ and our church people led another 38 to the Lord! We faithfully continue our soul winning and giving out Gospel tracts. We know that God works with what we give Him. But how much more could be done if others were actively involved in doing the same. Jesus is coming back as He promised and then it will be too late to tell others of the salvation that He has given us.

Yours for souls,
Mike and Lidia Lemma
